

With unlock 1.0, our country is uneasily but surely coming back to life but our coworkers made sure that our children received the best care, safety and support even during the lockdown. In this month's round-up, we bring you snippets of such exemplary work done by our field teams across the country.

## **#01 Practices to combat COVID-19 stress in SOS Children's Village Kolkata**

Lockdown meant a disruption in routine, which could have impacted the children and their caregivers adversely. Hence, in preparation, the teams deliberated solutions and restored normalcy and routine through various creative engagements – such as cooking, painting decoration and gardening.

## #02 Support for our Family Strengthening Programme families post AMPHA

Our FSP communities situated in North 24 Parganas district, West Bengal got severely affected due to the Amphan cyclone. All the affected FSP families of our community were given the right care and immediately provided with polythene tarpaulin, mosquito coil/liquid, bleaching powder, phenyl, mosquito net, dry ration and hygiene kit support.

## #03 World Ocean Day celebrated at Khajuri Kalan

Our special needs children at Khajuri Kalan once again exhibited how truly extraordinary they are. On World Ocean Day, they participated in a painting activity on the theme 'My Dream Ocean', where they unleashed their creative side and let their imaginations run wild. The children were proud of their creations - and we are proud of them!

## #04 Ration kit provided to 73 FSP Pune families

Maharashtra has had to bear the worst impact of COVID-19. With the number of cases increasing daily, certain zones are now marked off as red zones. As a consequence, many were unable to work or gain access to basic items. To support the struggling families, we partnered with Piaggio Group to distribute dry ration kits to 73 families. The support was timely and very much needed.

## #05 SOS Day • celebrating ideas that make difference

23rd June, 2020 marks the 101st birth anniversary of our founder; Dr. Hermann Gmeiner. While the lockdown meant that we couldn't celebrate in full swing, our children kept their enthusiasm intact. SOS Children's Villages Guwahati conducted a cleanliness drive along with a tree plantation activity. Food, sweets and Joy were in abundance as everyone participated and enjoyed the day - while maintaining social distancing, of course!

Before we bid adieu - staying safe at home during the pandemic is a privilege for many. 100% of your donation goes towards giving an abandoned child access to a roof over their head, quality education, and an unwavering support system.

**A little can change a lot. Do your part to help them out during these trying times.**
